IEEE IC – Outstanding Student Volunteer Awards

Brief Bio:

Ms. Anishka Sankar is an enthusiastic volunteer in IEEE for the past 3 years. Currently pursuing her bachelor's degree in electronics and communications engineering at Panimalar Institute of technology. She is the recipient of the Richard E. Merwin Scholarship and served as the Chairperson of IEEE Panimalar Institute of Technology Student Branch(2020-2021). Her main personalities are adaptability and positivity. Working towards women empowerment seems to be her passion and also spends her time mentoring her juniors. She believes that every person has talent and motivates the students to play various roles in IEEE events. She enjoys exploring new places and always willing to lend a helping hand if needed. She has gone full steam in learning new technologies through internships, workshops, and seminars, her professional skill development roadmap seems to be full through her volunteering.

Achievement for which the award was given:

She organized 100+ events in IEEE Panimalar Institute of Technology Student Branch to benefit the student community and served as the mentor at Richard E. Merwin's helpdesk.

She conducted several workshops in collaboration with coding blocks and served as a volunteer in various intersectional events at multiple domains which includes content, publicity, and poster designing.
