IEEE IC- Outstanding YP Volunteer Awards

Brief Bio:

Name: Shaik Suraiah Thaseen Qualification: B.Tech in Electrical and Electronics Engineering (2013 to 2017) Institution: G. Pulla Reddy Engineering College (Autonomous): Kurnool, Andhra Pradesh. Affiliation: Presently working at Accenture, Bangalore as Senior Software Engineer

Achievement for which the award was given:

I, Shaik Suraiah Thaseen have been an active IEEE volunteer for last 7 years serving in 2 sections – Hyderabad and Bangalore. I have served in different roles in the many IEEE events. As a Student Chair of IEEE GPREC Student Branch, Mentor of IEEE GPREC SB , Volunteer of IEEE Hyderabad section and volunteer of IEEE YP Bangalore Section– have mentored students and developed volunteers. In view of my involvement in IEEE activities with dedication and passion, where I have exhibited my exemplary leadership performance which brought me recognition and accolades including one from Region 10(I am the recipient of IEEE R10 WIE Outstanding Student Volunteer Award 2017, In recognition of leadership for Student Women in Engineering from Asia-Pacific(R10).) I'm dependable, affable, and flexible and my goal to uphold the motto of IEEE through my effort and activities no matter what it takes. I had committed to making our community a better place with time and arduous efforts through volunteerism. Thanks to IEEE Hyderabad and Bangalore section for the opportunities and believing in me and supporting me.
