

## **M V Chauhan Paper Contest 2021 : A brief report**

M V Chauhan All India Student Paper Contest 2021 was organised under the aegis of Student Activities of IEEE India Council. The contest was held along the lines of the IEEE INDICON 2021, a flagship conference of IEEE India Council as a special track. The conference provided an opportunity for young minds to come together and discuss the latest developments and future directions in the areas of Engineering and Technology.

Total 132 good quality papers were submitted and selected from various IIT's, NIT's, Government and Private Universities and many other reputed institutions. The level of review process used was the same as that of other technical tracks of IndiCon 2021. All selected authors could register for the conference and present their papers during Indicon 2021. The track was held from 19th to 21st December 2021 at IIT Guwahati.

### **Winners of the M V Chauhan Student Paper Contest**

- Paper ID : 1570750703, Stability Criteria of Peak Current Controlled Active Clamp Forward Converter with Input Filter; Maturi Krishnaja, National Institute of Technology, Rourkela, India. ([515ee6004@nitrkl.ac.in](mailto:515ee6004@nitrkl.ac.in))

The award was announced and Cash Prize of Rs. 12000/ was handed over to the winners.

Prepared by: Dr. Y.Vijayalata, Vice Chair, Student Activities, IEEE India Council
