CLW2025

About India Council

Dr. Prerna Gaur

Chair, IEEE India Council

Dr. Prerna Gaur

About India Council

Dr. Prerna Gaur

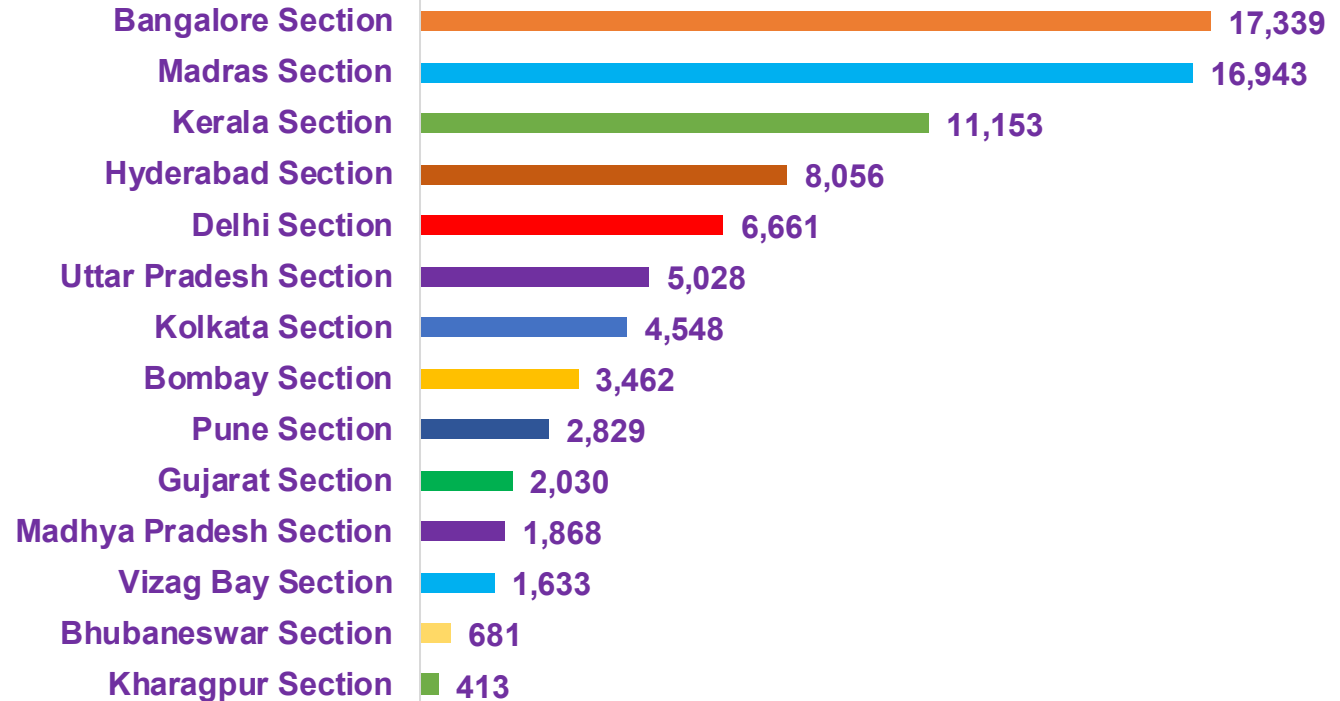

- ▶ Umbrella organization which coordinates IEEE activities in India
- ▶ Primary aim is to assist and coordinate the activities of local “Sections”
- ▶ **Three** exciting initiatives launched this year - **IEEE Ethics Committee**, **IEEE History Committee**, **IEEE Entrepreneurial Activities Committee**
- ▶ Key priority for this year will be to **bridge the gaps between academia and industry**
- ▶ Subcommittees are formed – to ensure remarkable outcomes

IEEE INDIA COUNCIL IN ASSOCIATION
with IEEE Kolkata Section and IEEE Gujarat Section
PRESENTS A WEBINAR ON

**"Elevate your career with IEEE
Senior Member Grade".**

CHIEF GUEST
Dr. Prerna Gaur
Chair, IEEE India Council 2025
Chair, IEEE Delhi Chapter Vice Chair, IEEE Education Activity Director

GUEST OF HONOR
Mr. Nandani S
Secretary, IEEE India Council, Secretary IEEE Kolkata Section, Past President, IEEE Council for Science & Technology, IEEE

GUEST OF HONOR
Dr. Rajeshree Jain
Treasurer, IEEE India Council
Professor at Indian Institute of Computer Studies and Research

ESTEEMED SPEAKER
Prof. Muhammad Kalam S
Secretary, IEEE India Council
International Past Chair, IEEE India Council

India Council – SAC Initiatives

Vision- India Council

The IEEE India Council vision is to create a collaborative environment to transform India into a technological innovation hub. It is based on continuous learning, geographical integration across communities, bridging the world of academia and industry, and promoting innovation and entrepreneurship—enabling a future-ready, globally competitive India.

About SAC

The IEEE India Council Student Activities Committee (SAC) leads student outreach and development nationwide. SAC is aware of student needs—e.g., skill building and networking—and offers focused, high-impact programs. As a bridge between the council vision and the student population, SAC ensures every program offers real value and contributes to the development of the next generation of engineering leadership.

The 'Why': Identifying the Core Challenges

Aiming for cohesive strategy- Unified approach

The Flagship of Community: All India Student-Young Professional-Women In Engineering-Life Members Congress (AISWYLC)

- **IEEE India Council's Flagship Event:** Unites thousands of Students, YPs, WIE, and Life Members into one vibrant national community annually.
- **Legacy of Connection:** Originated as AISC in 2000; over two decades of connecting bright minds across India.
- **More than Networking:** Bridging the community gap requires a lasting tradition—AISWYLC is that tradition.
- **Looking Ahead:** AISWYLC 2025 at Adani University and Nirma University (IEEE Gujarat Section) continues the legacy of collaboration and excellence.

AISWYLC

WHY AISWYLC

- Ignites Innovation & Leadership
- Boosts Pan-India Collaboration
- Builds a Strong Community Tradition

Foundational Pillars of the Solution: ASK ME & WISE Series

ASK ME Talk Series: The Why

- Builds community and provides inspiration through interactive talks with esteemed IEEE leaders.
- The inaugural session successfully engaged nearly 100 participants, showing significant community interest in its mission.

WISE Series: The How

- Directly follows up on "ASK ME" by showing students how to build and apply the skills discussed.
- Provides practical, hands-on training with live demonstrations of helpful AI tools like Grok, Blackbox, and DeepSeek to increase productivity.

Step 1: Igniting The Spark

ASK ME Talk Series

- A platform for candid conversations with industry leaders and successful alumni
- Focuses on Real-Life Journeys, leadership development, and the value of IEEE Membership.

Result: Inspired students with a clear vision.

*But Inspiration
Requires Action..*

Step 2: Building The Skills

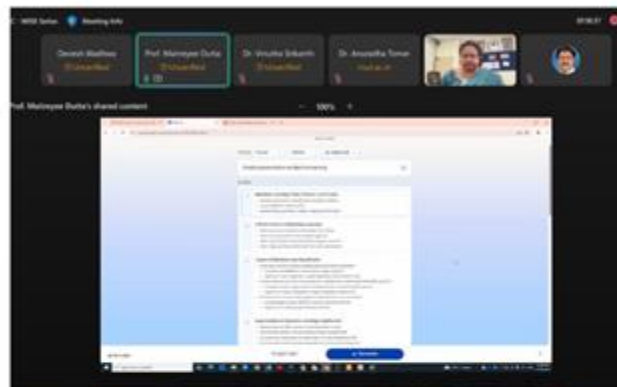

WISE Series

(Webinar for Innovation, Skills, and Excellence)

- Specifically Designed to help students learn and apply the skills they hear about in the Ask Me Talk Series.
- Provides practical, hands-on training with the modern AI tools to increase productivity and build world class projects.

Result: Empowered Students with practical, resume-worthy projects

Foundational Pillars of the Solution: ASK ME & WISE Series

WISE Series: Episode 1 by Dr. Maiteyree Dutta

Ask Me Talk Series: Episode 1 by Rohit Joseph Matthew

WISE: E1 by Dr. Maiteyree Dutta

WISE Series: Episode 2 by Dr. Anjali Diwan

Ask Me Talk Series: Episode 3 by Mr. Arun M

GUESTS OF HONOR

Mr Deepak Mathur
Former IEEE Vice President - MGA (2024)
IEEE Region 10 Director (2021-23)
Ex-Chair, IEEE India Council

Deepak Mathur is an experienced IEEE leader committed to volunteer empowerment and technology advancement. He has served as IEEE Vice President - MGA (2024) and IEEE Region 10 Director (2021-23), strengthening IEEE's global network. A former Chair of IEEE India Council, a Chair General Manager at ONDC, he continues to drive innovation and community engagement.

Participants (210)

Participants (210)

The Hub of New Ideas: Hackathons & IoT Workshops

To bridge the **final gap from theory to application**, the Student Activities Committee focuses on **two key practical pillars**: competitive innovation through **hackathons** and deep-dive learning in **specialized workshops**.

To build deep technical skills, SAC promotes targeted, hands-on workshops, like the recent three-day session on Smart Sensing Technologies at **NSUT (July 15-17, 2025)**. These events provide students with crucial, practical experience in high-demand fields like IoT, making them truly industry-ready.

Hackathons are the most direct expression of the council's vision to Foster Innovation and Entrepreneurship. They create a vibrant ecosystem where students can take risks, build groundbreaking projects, and bridge the gap between academic theory and industry practice, proving their Technological Excellence.

Summary of the Initiatives Taken

<i>The Inspiration Gap</i>	<i>The Skills Gap</i>	<i>The Community Gap</i>
Ask me Talk Series	Webinar for Innovation, Skills and Excellence (WISE) Series	Face2Face SAC Meetings & Online meet-up
A Talk on My Journey to a Core Company	3-day Smart IoT Workshop	IEEE Students Meet & Greet Delhi and Bhubaneshwar Section
Career Guidance and Awareness Session	5 Days Hands-on-STTP – HARDWARE IN THE LOOP	IEEE MGA SAC Awards Webinar
Expert Talk on Recent trends in AI and Data Science	Hackathon	IEEE Foundation Day Celebration
Distinguished Lecture on Leadership	3-Day Workshop on Python for Data Science	Inter Section Flagship Events (eg. UPSYC, KITES, etc)
	Workshop on Hands on Training Session on Solar PV System Design using PVSyst Software	IEEE Day and Foundation Day Celebrations
	PCB Designing & Fabrication Workshop	Inter Section Symposiums
